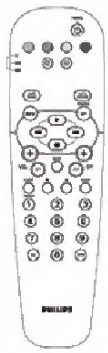
20" Designer Series Television

20PT653R

Technical specifications

Picture Quality

• ***20" Real Flat™ high contrast picture tube***
The flatter tube provides a wider viewing angle while minimizing reflections for the best picture possible.
• ***Digital comb filter***
Separates chrominance (color) from luminance (brightness) information for independent processing to improve picture resolution and minimize distortion.
• ***Dynamic Noise Reduction***
Reduces picture graininess caused by weak signals to produce a clearer picture and enhance the viewing experience.
• ***3-Position Color Temperature***
Customize picture to your personal flesh-tone preference with cool, normal and warm settings.



Ease of Use

• ***QuadroSurf™ Universal Remote***
Controls all TV features plus virtually all brands of VCR, DVD and Digital Broadcast Satellite receivers. To personalize and customize TV viewing simply use each of the four colored surf buttons to view up to ten of your favorite programs by category (that's 40 total movie, sports, news, music, children's, etc.) or by family member. The AV inputs can also be programmed for use as a "source" selector.
• ***AutoPicture™***
Instantly optimizes brightness, contrast, color, tint and sharpness settings with picture presets for Movies, Sports, Video games and weak signal reception.
• ***AutoSound™***
Audio volume levels are automatically adjusted and optimized with the choice of three presets: Movies, Voice, Music plus an adjustable Personal setting.
• ***AutoMute™***
Automatically activates the closed-captioning when the MUTE button is pressed.
• ***AutoLock™***
Protects young children from objectionable programming with V-chip technology.

Any-Button-On Top Controls
Channel Auto-Programming
English/Spanish menu
240-minute Sleep Timer
Closed Caption viewing

This television receiver provides display of television closed captioning in accordance with 15.119 of the FCC rules.

Sound Quality

• ***Stereo Sound system***
Receives stereo broadcasts for performance through dual speakers for an exciting and lifelike sound.
• ***Bass & Treble Boost***
Full, detailed sound from your favorite movies and shows with these menu-selectable controls.

Connectivity

• ***Component Video inputs***
The best possible input for high resolution sources such as DVD, STB and game consoles for superb color purity, detail and reduced color noise, surpassing even S-Video.
• ***S-Video input***
The ideal way to connect high resolution picture sources like DVD, Digital Satellite & Cable TV and video games consoles for even better detail than standard Video inputs.
• ***Rear stereo AV inputs and outputs***
Connect a VCR, DVD, Satellite and video game through S-Video or stereo AV connection.Audio/video output jacks make adding a home theatre surround sound even easier!
• ***Side stereo AV + Headphone jacks***
Connecting digital cameras and video games is quick and easy. You can enjoy your favorite program or game in great stereo sound without disturbing others by connecting your headphones (optional) to the handy side jack.

Side AV + Headphone Inputs/Outputs
